

## GP Vacancy

An opportunity is available for a VR GP to join a collaborative GP group in the central North West Coast of Tasmania, recognised for its strong community and natural beauty.

Patrick Street Clinic is a well-established teaching family practice for over 40 years that has achieved AG-PAL Tasmanian Practice of the Year, RACGP Tasmanian Practice of the Year and has been finalist in the Central Coast Business Awards in Professional Service.

Centrally located within 25 minutes of 2 public hospitals, Patrick Street Clinic is a privately owned and operated practice with locations at Ulverstone and Penguin. We are a medium sized practice with 9 GP consulting rooms, 5 allied health plus 1 large gym space for physio/ exercise physiologist. We are co-located with full time physiotherapists and an exercise physiologist.

On call is shared with another practice with triage services provided by GP assist, allowing a light 1 in 8 on call roster with split week ends. We service our 3 nursing homes in the area and perform home visits as required. After hours and on-call are supported by Tasmanian GP Assist.

With just over 16,000 active patient records, our busy practice can offer you:

- An opportunity to build your own patient cohort quickly
- Discretionary private billing
- Experienced and effective practice management
- A relaxed friendly team environment
- Fully integrated experienced nursing support provided by 5 FTE nurses
- A strong reputation for registrar training and student teaching and vibrant learning environment
- MM3 location eligibility for rural incentive payments
